GBG is NOW stocking the following Universal Parts:

Control Boards

21M51U-843 - Universal two-stage HSI integrated furnace control kit
21V51U-843 - Universal two-stage variable HSI integrated furnace control kit

Flame Sensors

760-56 - Electrode w/ universal mounting bracket, 24" lead length, 1/4" female spade terminal, right angle boot supplied
760-401 - Standard replacement sense electrode, 30" lead length, 1/4" female spade terminal
760-802 - Exact replacement for HSI system, 30" lead length, 1/4" female spade terminal

Flame Detectors

956-1 - Standard cad cell flame detector w/ straight bracket
956-154 - Universal cad cell flame detector w/ six brackets

Thermocouples

Q340A1074 - W/ 11/32 male connector nut & push in clip connection & 24" leads
Q340A1090 - W/ 11/32 male connector nut connection & 30" leads
Q340A1090 - W/ 11/32 male connector nut connection & 36" leads

Relays

R8184G4009 - Protector relay oil burner control w/ 45 seconds of lock out timing

Ignitor

21D64-2 - Universal 120 volt nitride upgrade kit
Q3200U1004 - Glowfly universal hot surface ignitor single kit

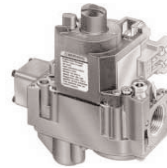

Ignition

50D50-842 - Universal direct spark ignition control for all gases
S8610U3009 - Universal intermittent pilot gas ignition control
S8910U1000 - Universal hot surface ignition module

Fan & Limit

L4064B2236 - Controller w/ 125 F fan on & 100 F fan off stops, 200 F high limit stop w/ 8" insertion
L4064B2210 - 11.5" insertion

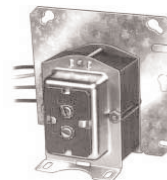

Gas Valves

V800A1476 - 24 VAC standing pilot gas valve w/ 1/2" x 3/4" inlet/outlet
VR8300A3500 - Dual w/ 1/2" x 3/4" inlet
VR8200A2132 - Dual w/ 1/2" x 1/2" inlet

Pilot Burner

Q314A4586 - Burner for main burner ignition w/ Q340 or Q390 thermocouple for pilotstat safety control operation

Transformers

AT72D1683 - Control transformer 40 va rated 120 primary voltage
AT87A1106 - Control transformer 50va rated 120/208/240

Motors

Rescue ecotech high efficiency direct drive blower motor
5520ET - 1/3 HP 115V
5521ET - 1/3 HP 208/230V
5530ET - 1/2 HP 115V
5531ET - 1/2 HP 208/230V
5540ET - ET3/4 HP 115V
5541ET - 3/4 HP 208/230V
5470 - 3/4, 1/2, 1/3, 1/4, 1/5 HP 115V
